Ten years ago, Christ Episcopal Church celebrated the installation of a new pipe organ, built by Kegg Pipe Organ Builders. Please join us for this anniversary concert, featuring a variety of music for the pipe organ, both as a solo instrument and with other instruments and voices.

Musical selections for the concert will include a reprise of the “Kegg Overture,” written by HSU Professor Gilbert Cline, and performed for the inaugural concert ten years ago and a work by Vivaldi for two natural trumpets and organ, performed by Gilbert Cline, Chris Cox, and Dr. Douglas Moorehead (in photo above).
