

SABBATICAL GUIDE

FOR CHRIST EPISCOPAL CHURCH | EUREKA
MAY 21 – SEPTEMBER 10, 2023

He makes me lie down in green pastures
and leads me beside still waters.
He revives my soul.

Psalms 23:2-3

INTRODUCTION

After five years of energetic and devoted service to our parish, our Rector, the Rev. Dr. Daniel DeForest London, will take his first sabbatical. In keeping with our parish's Letter of Agreement with Fr. Daniel, he has accrued three months of sabbatical leave since his arrival in 2018. Also in the Agreement is the provision that Fr. Daniel will continue to receive his salary. Foreseeing this time and knowing we would need a priest to celebrate Eucharist and to help keep us on course liturgically, our Vestry has been saving money specifically for hiring a supply priest. We have also raised funds to help Fr. Daniel with some of the additional expenses for travel and other additional costs expected during his sabbatical.

Taking on the many responsibilities Fr. Daniel usually oversees will require us to rededicate ourselves to our shared ministry. Our Sabbatical Team has the job of giving special attention to our congregational life during this time. This guide explains how Christ Church will function during Fr. Daniel's absence, what events and services are planned and who will be responsible for various aspects of our parish life. Contact information is also provided here.

We may think of our Rector as the figure at the center of our congregational life, as the person with the primary responsibility for making the church function. Thus, the idea of being without him for an extended time could be a source of great anxiety for some of us.

Perhaps even worse, the thought of not having a priest around may help fuel for all of us a sense of disengagement from the church. There is a risk of a certain kind of lethargy or laziness we might embrace because we can justify it, saying to ourselves, "Well, I won't attend this Sunday now that Fr. Daniel is gone." We must remember that the rector is not the church – the church is us! The church is who we are growing to become, each day in Christ, and while it is deeply meaningful to be guided in that growth by our Rector, we would do well to think of his approaching sabbatical as a **collective** one in which we too are on sabbatical, growing and learning!

ABOUT SABBATICAL

“Sabbatical,” like “Sabbath,” comes from *shabbath*, Hebrew for “rest.” The ancient Hebrews not only rested every seventh day, but also let the land rest every seven years to ensure its productivity. Sabbaticals have long been common in academia, but are also a tradition for clergy serving Episcopal congregations.

The sabbatical is not a reward for good work or simply an extended vacation period. Rather it recognizes that effective ministry requires occasional extended periods for study, reflection, rest, and renewal. A sabbatical is an important part of a working relationship between the parish and the clergy person, from which both draw benefits.

During the sabbatical time, Christ Church members will have opportunities to lead and learn in new ways while still experiencing Sunday services. We trust that our own ministry to one another, already strong, will flourish during this time under the guidance of our sabbatical priest, the Rev. Lesley McCloghrie. Christ Church members will also dream new dreams, and begin bringing them to life when Fr. Daniel returns. Just as importantly, he will bring energy, ideas, and insights to Christ Church as he rejoins us.

A MESSAGE FROM OUR RECTOR AND HIS SABBATICAL PLANS

Dear Christ Church companions,

As this guide shows, you will clearly be in good hands while I'm away on sabbatical and I look forward to learning about how you will grow as a congregation during this holy time of being "set apart." In Catherine Mace's presentation on the 150-year-old history of Christ Church, she said, "Through...years of change, the congregation learned how to hold the parish together themselves. They became stronger, friendlier, and much better leaders...It was a God-given time of growth for the parish."¹ I trust that these three months will be a God-given time of growth for Christ Church; and, although you are already a strong and friendly community, I'm excited to see how you will continue to grow and meet new challenges while I'm away. ***And I will be back!***

My sabbatical time will include periods of travel and rest. In late May and early June, I will be participating in a four-day immersion

program in Yorkshire UK, which will complete my training as a Forest Therapy Guide and move my certification from provisional to permanent.² I began my training online in October 2021, with the support of the vestry, and I look forward to

incorporating more of my learning into our popular Sacred Saunter Outdoor Eucharists.³ While in the UK, I also hope to visit St. Paul's Cathedral in London, Canterbury Cathedral, and the ruins of Rievaulx Abbey, where the English Cistercian monk and author St. Aelred served as abbot.⁴

Ashley and I will then spend the first week of June in Naples, Italy to participate in a seminar that will bring together scholars of ancient Judaism, Classics, and early Christianity to re-examine the Jewish-Christian Sibylline Oracles. Ashley, who published her award-winning book on the Sibylline Oracles, will be participating as a principal scholar in this conference.⁵ During this time, I hope to visit Fr. Francis Tiso, who lives about an hour north in Isernia and perhaps connect with our fellow Anglicans at Christ Church, Naples.⁶

On June 13, we're planning to travel to Paris, where I will be participating in the Colloquium on Violence & Religion (COV&R) Annual Meeting.⁷ Ashley and I also hope to visit the medieval Prayer Labyrinth at Chartres Cathedral.⁸

⁷ The COV&R Annual Meeting will focus primarily on the work of French philosopher René Girard, whose Mimetic Theory served as a methodological frame in my dissertation and book *Theodicy and Spirituality in the Fourth Gospel: A Girardian Perspective* (2020). This year, the conference will be celebrating the late René Girard's 100th birthday. You can learn more here: <https://violenceandreligion.com/annual-meeting-2023-paris-france/>

⁸ This will be extra special for us since Ashley and I were married on the Chartres Labyrinth at Grace Cathedral in SF (<https://www.youtube.com/watch?v=y8TPloWnxBI>). We then plan to visit friends and family in the East Coast before heading back to Eureka to rest for a few weeks before heading off to the Anglican College of St. John the Evangelist in Auckland New Zealand, where I

was accepted into a month-long visiting scholarship program. I plan to work on my next book about the Gospel of John while immersing myself in the life and unique Anglican liturgies of Aotearoa New Zealand from mid-July to mid-August.⁹ We also hope to visit Hobbiton while we are there!

THE SABBATICAL TEAM

While the leadership of Christ Church has done a great deal to anticipate the parish's needs and growth during Fr. Daniel's sabbatical, we know that questions will emerge. The team has been established to coordinate the most basic aspects of our shared ministry. Our first meeting was held back in September 2021 and will continue to meet regularly while Fr. Daniel's away, and will debrief with him when he returns in September.

We must all remember that this is a time for rest and renewal for Fr. Daniel and that we **should not** call, email, or otherwise contact him. In any case, he will be traveling, often out of cell range and not keeping up with work-related email. (In case of an emergency, the Wardens, the Parish Administrator, or Mtr. Lesley will know how to contact Daniel.) In his absence, questions or concerns that arise should be directed to the Senior Warden, members of the Sabbatical Team, and/or the Parish Administrator, Thomas Swanger. This group will work together to address a particular question, concern, request, or need.

CONGREGATION DEVELOPMENT DURING THE SABBATICAL

Fr. Daniel's sabbatical will not only give him a chance to renew himself as our rector, but will also give Christ Church a chance to develop as a congregation. A variety of opportunities for our congregation to grow during Fr. Daniel's sabbatical are currently being planned, including midweek Bible Studies, special guest preachers, and Sunday morning adult forums from 9:15 – 10 AM. We are currently exploring the possibility of giving the stream team a rest during this season of sabbatical, which would involve limiting our Sunday morning livestreams to only once a month.

A MESSAGE FROM OUR SENIOR WARDEN: REST, REFLECT, RENEW

Rest, Reflect, Renew: the goals of a Sabbatical Leave, for the Rector, and for the Parish. Fr. Daniel's Sabbatical Leave is from late-May through early-September. As Senior Warden, I look forward to working closely with Mtr. Lesley (our Sabbatical Priest), our other clergy, staff, and lay leaders, our Sabbatical Team, and our Vestry in guiding the Parish through its own period of Rest, Reflection, and Renewal.

Meeting periodically since September 2021, the Sabbatical Team is formulating plans for special events and other activities to help us to rediscover and reinforce the special bonds we have with one another in Christ, to find new and exciting ways to fulfill our mission “to glorify God, follow Jesus Christ, and serve all people through the power of the Holy Spirit,” as “a community of companions walking together in the Way of Christ’s love for all,” and to welcome Fr. Daniel back in September for revived and refreshed mutual ministry. On a practical level, if you encounter Fr. Daniel around town during his Sabbatical, please feel free to share a greeting but refrain from further conversation. And, if you have questions, concerns, or suggestions during the Sabbatical, please contact any member of the Sabbatical Team at our contact information elsewhere in this guide.

Looking forward to our journey together of Rest, Reflection, and Renewal!

Senior Warden

OUR SABBATICAL PRIEST

Mother Lesley McCloghrie served as the priest-in-charge and vicar of Holy Trinity Episcopal Church in Pawling NY for ten years before moving up to Humboldt County in February 2013. She began serving as the Resident Associate at Christ Church, becoming the Interim Rector after the retirement of the Rev. Dr. Susan Armstrong. When Fr. Daniel arrived in 2018, Lesley supplied at Sts. Martha and Mary Mission in Trinidad and St. Paul's in Crescent City, and twice as Sabbatical Priest at St. Alban's in Arcata. She returned to Christ Church as an Associate in 2019 and now serves as the Dean of the Sempervirens Deanery. The Very Rev. Lesley McCloghrie will serve as the pastoral and liturgical leader during the sabbatical, working with the senior warden, vestry, and parish administrator to make sure everything runs smoothly.

PASTORAL CARE

While we see Fr. Daniel in church and at meetings, some of us may not realize the time he spends providing pastoral care and support: visiting members, providing ministerial counseling and doing the many other things involved in being the pastor of our congregation. While no one can replace Fr. Daniel's spiritual guidance and comfort, the Senior Warden and the Clergy have volunteered to visit *or* coordinate visits to a hospitalized or homebound parishioner. They will provide spiritual and emotional support through deep listening to any persons in need. Should extremely urgent pastoral needs arise, the Rev. McCloghrie will be available for emergencies where a priest's ministerial services are needed.
